Workshop Description
“Foundations for BeFriender Ministry” is a workshop for leaders who want to implement and maintain a listening ministry of pastoral care in their church, hospital, healthcare campus, long-term care facility or other organization. The small size of this highly interactive workshop allows workshop leaders to address the specific needs and questions of participants. A certified trainer from the BeFriender Ministry National Office will be the workshop leader.

Who Attends
A team of 2-5 from your church or organization including at least one staff person such as (clergy, chaplain, deacon, faith community nurse, director of pastoral care, pastoral minister, etc.) and one or more volunteers. This team will serve as program leaders for BeFriender Ministry in your church or organization. New program leaders for existing BeFriender Ministry programs also attend the workshop.

Learning Objectives
• Receive the tools and training for implementing and maintaining a listening ministry of pastoral care.
• Understand the role of the BeFriender by experiencing the training you will provide for BeFrienders in your church or organization. The listening skills learned are transferable to family, friend and colleague relationships.
• Learn a discernment process for calling forth BeFriender Ministers.
• Learn skills for facilitating skill-building and spiritual growth for BeFrienders.
• Understand the roles of the Leadership Team: trainer, facilitator, and administrator.
