March 2021 - August 2021

### Virtual Workshop Description

*Participate from the comfort of your home or office.*

“Foundations for BeFriender Ministry” is a workshop for teams who want to implement and maintain a listening ministry of pastoral care in their church, hospital, healthcare campus, long-term care facility or other organization. The small size of this highly interactive workshop allows workshop leaders to address the specific needs and questions of participants. A certified trainer from the BeFriender Ministry National Office will be the workshop leader.

*When a woman with an aging parent suffering from dementia can share her story with a listening presence;  
when a patient with a life-threatening illness can talk about his fears to a caring ear;  
when an abused woman finds comfort in safely telling her story to a nonjudgmental listener –  
that is the power of BeFriender Ministry.*
