BeFriender Ministry is a national, ecumenical non-profit organization that provides training and ongoing support for a listening ministry of care.

JANUARY 2023 - JUNE 2023

Virtual Workshop Description

Participate from the comfort of your home or office.

“Foundations for BeFriender Ministry” is a workshop for teams who want to implement and maintain a listening ministry of care and support in their church, hospital, or senior living community including all levels of care. The small size of this highly interactive workshop allows workshop leaders to address the specific needs and questions of participants. A certified trainer from the BeFriender Ministry National Office will be the workshop leader.

What Participants are Saying

“BeFriender Ministry has been a blessing to Covenant Living Communities in many ways. It has extended the reach of our chaplain's spiritual care ministry. It has given some of our residents the satisfaction of serving their fellow residents in a meaningful way.

Our BeFrienders have found the excellent training they received in listening skills to be beneficial in many circumstances beyond their BeFriender visits.

Best of all, persons experiencing anxiety, loss or loneliness have had the listening ear of a truly caring person to walk with them on their journey.”

*When the community is enriched by compassionate connections among residents, staff, volunteers, and families;
 when a resident feeling isolated and alone experiences a caring connection;
 when a family member with an aging parent can share their story with a listening presence;
 when a staff member sees the care given by trained volunteers that supports the vitality of their community.
 – that is the gift of BeFriender Ministry.*
